Ellie joined Gepp Solicitors in August 2026 as a Tax Administration Assistant in our Private Client team.

Having recently completed her A-Levels at Beaulieu School, where she studied Psychology, Sociology and Geography, Ellie is now beginning her career in a professional services environment and developing her knowledge of the work undertaken by our Private Client team.

In her role, Ellie provides administrative support to the team and is particularly enjoying learning more about Tax and Trusts. She enjoys speaking with clients over the telephone, helping with their enquiries and seeing how the work of the department can make a difference to people.

Ellie is keen to continue developing her skills and knowledge and looks forward to taking on greater responsibility as she progresses in her career.

Outside of work, Ellie is a keen footballer and currently plays for Braintree Football Club.
