Grace joined Gepp Solicitors in August 2026 as a Legal Assistant in our Private Client team, supporting the department with administrative tasks and client enquiries relating to Wills, Probate and Lasting Powers of Attorney.

She recently graduated from the University of Chichester with a First-Class Honours degree in History. During her studies, Grace completed modules with a legal focus and took part in study visits to Brussels and The Hague, giving her an insight into both domestic and international legal systems.

Grace is keen to pursue a career in law and is enjoying developing her knowledge and experience within Private Client work. She takes a pragmatic and approachable attitude to her role, listening carefully to clients and helping to make their experience with the team as straightforward as possible.

Grace is known for her organisational skills, attention to detail and commitment to supporting positive outcomes for clients. She particularly enjoys helping people and continuing to learn from the varied work undertaken by the Private Client team.
