Misty joined Gepp Solicitors in September 2026 and is a Legal Assistant in our Private Client department.

Having studied Business and Criminology at A Level, Misty was keen to begin developing a career in law and gain experience within a local law firm. She is enjoying building her knowledge and experience across a range of Private Client matters.

In her role, Misty supports the team with enquiries relating to Wills, Probate and Lasting Powers of Attorney, assisting clients by telephone and email and helping with the day-to-day administration of the department. She particularly enjoys being able to assist clients and support the wider Private Client team.

In her spare time, Misty enjoys going to the gym and walking.
